

1. Visit the new website.

www.MX5OC.co.uk

The "new" home page for the MX-5 Owners Club

2. Login to the site.

You need to click on the button

AC New Front End Login

This is found at the bottom of any page, then enter your details* like this:

Username or Email

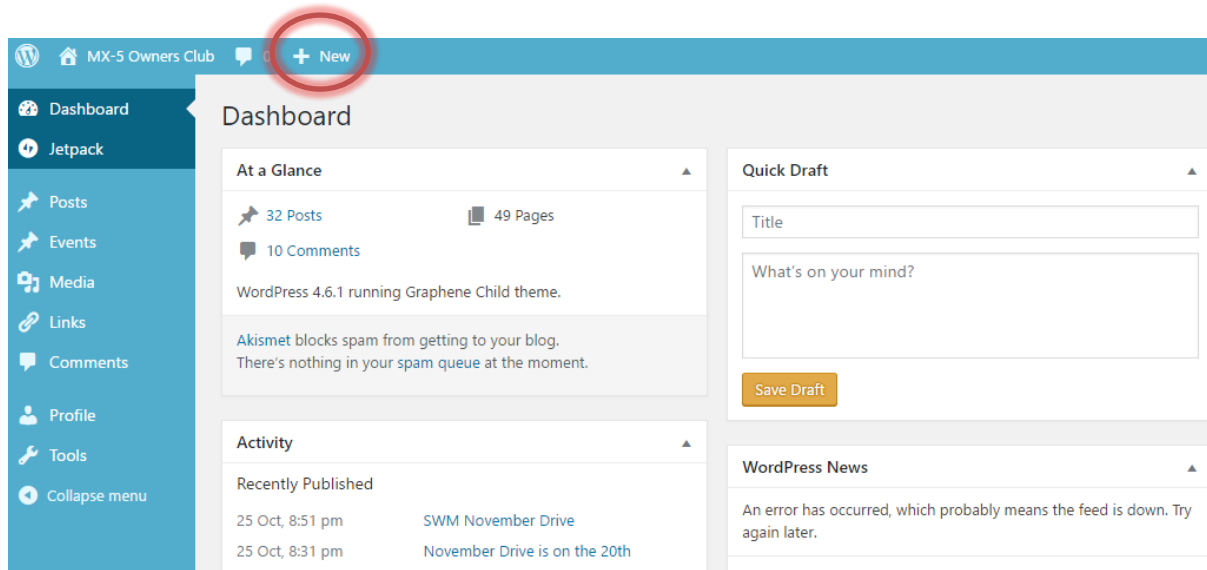

Password

Remember Me

*You will have been given your Areas username and password at the AC meeting.

You can share your login details with your Joint AC's or your Web Editor (if you have one) as more than one of you can be logged in at the same time all using the same username & password.

3. The Dashboard

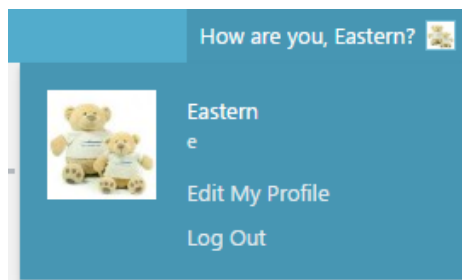

Once you can see the Dashboard you have access to create a new item.

4. Logout

Once you've finished editing your pages you can logout.

At the top of the screen in the right hand corner, you should see the "Hi, E" greeting. When you move your mouse pointer over this the box below will appear and you can click on Log Out.
